INTRODUCING THE CELESTYAL JOURNEY

Every constellation has a brightest star. We're delighted to announce that the planets have aligned to reveal ours, as we officially welcome the magnificent Celestyal Journey to our fleet - our newly-acquired vessel that's destined to light up the seas.

Celestyal Journey is our biggest, most luxurious ship yet and is set to continue her odyssey with us around the wonders of Greece and the glittering waters of the Eastern Mediterranean. When it comes to making award-winning voyages come true, we spare no expense. The 1,693-guest cruise liner has undergone a €20 million

refurbishment with our sights set on one thing only - a guest experience worthy of the gods. That's where the Celestyal crew shine. Our decades of expertise in bespoke service are what make a voyage with us a true journey into comfort, warmth and delight.

SLEEP CLOSER TO THE STARS

For the first time ever, we're proud to bring you the Stargazer Suite, a penthouse suite that offers unforgettable panoramic stargazing. Our Dream Suites are sure to restore your sense of magic as you drift off to the tranquil rhythms of the Aegean Sea in supreme comfort, while our Cosmos Cabins offer cosy escapes and quiet moments.

HEAVENLY DINING

From a blissful night's sleep, to daytime grazing in Fig & Honey, or moonlit dishes at Thalassa - we invite you to feast like the ancients in our decadent new restaurants and enjoy more choice than ever. Get the full

star private dining experience at our new, exclusive Chef's Table, or wander further afield to Pink Moon, our exquisite Asian-inspired restaurant. Find fresh Mediterranean bites at our new Smoked Olive restaurant or go big with grilled everything at Grill Seekers.

FIND YOUR FLOW

From the secrets of flavour to the secrets of wellness, our onboard gym and spa elevate relaxation to a new stratosphere. An entire deck is dedicated to The Sozo Experience, a world of wellbeing to strengthen and soothe your mind, body and spirit. The all-new Sozo Spa goes more than skin deep, rejuvenating bodies and recharging chakras. And when it's time to shine, you can indulge in a glow-up in the new Glow Bar.

THE SPIRIT OF THE NIGHT

With your battery recharged, you might just be ready to sip and stargaze in one of our glittering new bars. Slide into the Blue Bar & Lounge, where mellow piano tunes and laid-back luxury will keep the mood flowing as easily as the champagne. Or pick up the pace in our new Fizz Club, where signature cocktails and fresh ingredients plucked straight from the islands will light up the night.

We can't wait to welcome you onboard Celestyal Journey and make waves, memories and dreams come true in the majestic style and spirit of the Mediterranean.
